### The Vision

Here at Action Chapel Baltimore (ACB), God has given us a vision to build a center of empowerment and development, a place where men, women, boys, and girls will be trained in practical areas in order to dominate in life.

- Our vision: Every person dominates in life and operates at their maximum potential.
- Our mission: Train individuals for success in life, empower the community through service.

### Our Efforts to Date

Since our inception in 2009, we have been moving towards this vision by:

- Joining with Hope Village to conduct summer camp
- Donating clothes and food to the community -
- Providing free resume writing, job interviewing, entrepreneurship, parenting, and addiction counseling seminars
- Establishing the Dominion Development Center (DDC) as a separate entity for non-profit purposes

*ACB, Taking Dominion in the Natural and the Supernatural*

### How the Vision will be Accomplished?

Our goal is to accomplish this vision by:

**Fully operationalizing the Dominion Development Center (DDC)** as a referral and empowerment center, offering a range of services including:

- A community food bank (in partnership with the Maryland Food Bank, which is just 1 exit away from our church)
- Regular resume and interviewing workshops
- Free clothing for job interviews
- After school and tutoring services for the community
- A community daycare
- A scholarship fund for college-bound high school seniors

**Building a state of the art facility** that will feature educational classrooms, and a Dominion Auditorium for development seminars and training

**Fully operationalizing the Dominion Bible College** to spiritually equip the body of Christ
